Should there be an increase in the commission schedule we receive from your insurer, or any other material change that affects compensation arrangements, we will notify you.

The insurers with an asterisk (\*) above recognize our efforts through a Contingent Commission contract. Payment of this Contingent Commission may depend on a combination of growth, profitability (loss ratio), volume, retention, and/or increased services that we provide on behalf of the Insurer.

The Contingent Commission varies year-to-year and is not always guaranteed. For detailed information on Contingent Commission, please go to the individual company's website.

Your insurer will also provide you with a Consumer Code of Rights and Responsibilities which will be forwarded to you with your new or renewal policy. If you have any questions regarding the compensation received by WAVE Insurance for any of its insurance brokerage services, please do not hesitate to contact us.

WAVE Insurance is part of the Canadian Broker Network (CBN), an alliance of independent Canadian insurance brokers that share best practices, experiences and connections to help its members of the Canadian Broker Network community.

Our brokerage is independently owned and operated, and no insurance company holds any ownership interest. Our coverage recommendations to customers are always based on the best coverage at the best price with the most appropriate insurance company.

Please refer to the company's website [www.waveinsurancebrokers.ca](http://www.waveinsurancebrokers.ca) to download a copy of the RIBO: FACT SHEET ABOUT YOUR REGISTERED INSURANCE BROKER and RIBO GUIDANCE: SHARING THE PRINCIPLES OF CONDUCT.
